Errors

Although we strive for 100% accuracy in our brochures, errors are sometimes unavoidable.

Payment Terms

Pictura extends Net 30 terms on approved credit. A completed account application will be required to establish credit approval. We accept the following payment terms: Pre-Paid, Net 30 (with approved credit), Mastercard, VISA and Discover. A \$30 handling fee will be charged on all returned checks.

Past Due Accounts

Past due accounts are subject to a 1.5% service charge. Overdue accounts will receive monthly requests for payments. A collection agency will be assigned if the account balance is not settled. Collection costs and legal fees will be at the customer's expense.

Shipping

All cards and gift orders are shipped FOB New Jersey. Displays are drop-shipped directly from the manufacturer. For specifics on display shipments, please call our customer service department. Unless specified, we ship FedEx Ground or UPS.

Returns & Claims

All returns are required to have a return authorization number (RA#) and must be received in the original condition and product packaging. Please contact Customer Service for the RA# and correct return address. Cartons of returned merchandise will be refused if they do not have a customer service generated RA# written on each carton.

Damaged Claims

It is important to inspect your shipment upon receipt and report any problems within 5 days. Please report any issues to our customer service department. If your package is visually damaged, please call customer service before accepting delivery.

Refused Shipments

Refused shipments are subject to a 15% restocking fee plus freight expensed to and from the customer's address.

Credits

All credits issued will be applied toward future purchases. We do not offer cash refunds. If you return a product in its unoriginal condition, you may be subject to a re-stocking fee which can result in not receiving full credit for the returned items.

Backorders

Customers must clearly state on each order whether or not backorders are acceptable. Backorders totaling \$30 or more are kept on file until the goods are shippable.
